A SENSIBLE WOMAN.

Advances a New Idea in Child Raising, Which is a Gem.

A lady received the following reply from a neighbor in answer to the question why she allowed her husband and children to litter up every room in the house and the settlement will find lodgment in the heart of every home-loving person in the land:

"The mark of the little muddy feet upon the floor can be easier removed than the stain when those little feet go down into the highways of evil. The prints of the little fingers upon the window pane cannot shut out the sunshine half so much as the shadow that darkens the mother's heart over the one who is but a name through the coming years. And if my John finds his home a refuge from care and trouble, and his greatest happiness within his four walls he can put his boots in the rocking chair and hang his hat on the floor any day in the week. And if I can stand it and he enjoys it, I cannot see that it is anybody else's business."

One out-of-town clothing man last week claimed to have taken orders for men's suits to the amount of \$800 and there were two good home tailor shops in Vinita.

The Store Where a Dollar Goes the Farthest

To Patrons of the City Schools

The rule heretofore made by the Board of Health that all pupils should be vaccinated has been withdrawn for the present scholastic year, the last case of smallpox having been discharged and no new cases having developed.

S. F. PARKS,
Secretary Board of Directors.
This February 13th, 1906.

It is difficult to cure a cough or free yourself from the discomforts of a cold unless you move the bowels. Bee's Laxative Honey and Tar acts on the bowels and drives all cold out of the system. For croup, whooping cough, colds, and all lung and bronchial affections, no remedy is equal to the original Bee's Laxative Honey and Tar. A Liquid Cold Cure. Sold by A. P. Owen, druggist.

Latest Style Wedding Stationery, with envelopes to match, printed with the latest style script type in artistic style, on short notice. Prices as reasonable as you can get the same stationery in the larger cities.

All oldtime cough cough syrups bind the bowels. This is wrong. A new idea was advanced two years ago in Kennedy's Laxative Honey and Tar. This remedy acts on the mucous membranes of the throat and lungs and loosens the bowels at the same time. It expels all cold from the system. It clears the throat, strengthens the mucous membranes, relieves coughs, colds, croup, whooping cough, etc. Sold by People's drug store. dw

The New Cough Syrup—the one that acts as a mild cathartic on the bowels—is Kennedy's Laxative Honey and Tar. It expels all cold from the system, cuts the phlegm out of the throat, strengthens the mucous membranes of the bronchial tubes, and relieves croup, whooping cough, etc. Children love it. Sold by Peoples Drug Store. dw

The Climate's the Thing in San Antonio

The invigorating air, dry and warm, the altitude: the perfect natural drainage—all combine to make the temperature as nearly perfect as can be. It is possible to spend most of each day, from November to March 1st, out-doors. The parks and plazas, the margins of the creeks and rivers, the groves of palm and magnolia, lose nothing of their lustrous green during the winter months.

San Antonio is, of all America, the odddest blending of modern utility and beauty with the romance and heroism of the medieval.

Come to San Antonio! The exceptionally low rates, the excellent train service and accommodations via the M. K. & T. By makes it a journey of but small cost and not of tiresome length. I want you to read "The Story of San Antonio." I'll send it on request. Once read, I'm sure you'll be more than half convinced that you should be the guest of San Antonio this winter. Address
